About Us

JIANGSU QIANXI Automotive Parts Co., Ltd. was established in 2022. The company's business scope includes the wholesale and retail of exterior accessories such as automotive rearview mirrors, interior mirrors, and lighting fixtures, as well as supporting components at home and abroad. The company covers a total area of approximately 10000 square meters, with a factory area of approximately 6000 square meters.

It is a professional automotive exterior parts company that integrates research and development, manufacturing, sales, and service. The company has a complete range of products, covering all models worldwide. All products comply with the original OE standards and have 3c certification. The company adheres to a high-quality and pragmatic service experience, providing customers with the best service, and has a variety of product inventory, which can be quickly developed and shipped.
